President's Corner

Hello everyone

Another well supported meeting in June means that by and large we are keeping the group interested and entertained.

We also had 8 people come to check us out arising from the brochure drop around Bayfair Estate and we are making sure they will return.

It is pleasing to hear that the inaugural meeting of the Mah Jong group took place this week and hopefully we can build on this going forward.

There is some interest in the Genealogy group but more work is required.

Melissa McLuskie from the Western Bay of Plenty Wildlife Trust, who is our July speaker, is very worried about the plight of the little blue penguin (Kororo) colony based at the Mount (Mauao). What looks like an ideal set up for them is becoming a cause of concern for Melissa's team. She is keen to explain to our group about what is going on and how we, as a community, can help.

Stay safe everyone.

Graeme Wilson
