

English is Weird

1. Back in high school I was in an English class and a fellow student asked the teacher how long our essays should be.

2. He responded saying, "As long as a girl's skirt: long enough to cover everything that needs to be covered, but short enough to keep me interested." \

3. I was asked the past tense of 'think' in a English test today

I thought and thought and thought and finally wrote 'Thunk'.

4. When I was a kid my English teacher looked my way and said, "name two pronouns."

I said, " who, me?"

5. I wanted to marry my English teacher when she got out of prison...

...but apparently you can't end a sentence with a proposition.

.A Texas farmer was touring England. He happened to meet an English farmer and asked him, "What size farm do you have?"

The Englishman proudly announced, "Thirty-five acres!"

"Thirty-five acres?" the Texan scoffed. "Why, I can get in my truck at 8:00 AM and start driving and at noon, I am still on my farm. I can eat lunch and start driving again and at 5:00 PM I am still on my farm.

"Ah, yes," the Englishman nodded in understanding. "I had a truck like that once."
