## AGM program 2024

**Friday 3rd May.**

### **3pm. Port of Tauranga Tour**

We have managed to make a special arrangement with the Port of Tauranga for a very informative tour of the entire Port, on Friday 3rd May starting at 3pm. This will be an exclusive charter by Omanu Rebus for AGM delegates and partners only, and the Port company will provide a senior official to act as host.

Unfortunately, this can't be carried out during weekend hours.

The trip lasts 90 minutes where we will be driven along the port on the Mt Maunganui side and see massive machinery handling a range of forestry products and other cargoes being loaded, as well as bulk raw materials being discharged.

We will then travel to the Sulphur Point container terminal and again be very near to these operations as well.

Passengers will not be allowed to leave the bus. Photos may be taken through the window.

Cost of tour is \$20pp. ***Payment will be refunded if tour does not proceed.***

If you are interested in coming to the AGM and wish to come on the Port tour, the dates and times are fixed. You will need to book early and make sure you are here in good time for the 3 pm start.

Please note those women from our Club who went on this tour recently, thoroughly enjoyed it. It's not just for men.

Further details on ID requirements and an ability to get on and off the bus unassisted in an emergency, will be provided following registration.

### **6pm. Meet and Greet at Mount Maunganui RSA. (drinks at own cost)**

**7pm. Dinner.** (at delegates' cost), the RSA's Munros' Restaurant will be open and there will be live entertainment as per RSA's 2024 program (yet to be released).

For those wanting to dine at a different location, Main Street in the Mount, abounds with good restaurants but be aware parking can be difficult.

### Saturday 4th May

**09:30. Mystery bus tour** of the ever-growing Tauranga area plus visit to a local artisan (Kevin McCardell, wood sculptor) See [www.timbersculptures.nz](http://www.timbersculptures.nz) followed by a visit to "The Elms" one of New Zealand's oldest heritage sites, approximately 3 hrs.
